

UNISPORT GLOBAL

Success Starts with the Team

About Unisport Global

Activity

A company specialized in organizing and operating sports leagues for government entities and corporate organizations.

Approach

Adopting a professional approach that connects sports with institutional discipline and team-building within the workplace.

Objective

Utilizing sports as a strategic tool to enhance employee performance, strengthen organizational loyalty, and build a positive and sustainable work culture.

Vision

To become the leading partner in the Kingdom for organizing and operating sports leagues for government entities and companies, by delivering professional sports experiences that promote health, discipline, and team spirit.

Mission

To provide integrated solutions for organizing corporate sports leagues based on professionalism, quality, and reliability.

Values

Professionalism, Commitment, Transparency, Teamwork, Sustainability.

Vision, Mission & Values

Our Services

Organizing and Operating Leagues

Designing league structures, defining competition formats, preparing schedules, and providing full supervision.

Sports Facilities & Venue Management

Coordinating with certified sports venues and managing booking and operations.

Sponsorship & Partnership Management

Attracting sponsors and managing sponsorship rights.

Refereeing Management

Providing certified referees and managing officiating teams.

Awards & Closing Ceremony Management

Organizing the closing ceremony, preparing awards, and honoring participating teams.

Medical Safety & Health Support

Providing a certified first-aid team, on-site medical presence, and ambulance coordination when needed.

Media Coverage & Digital Broadcasting

Match filming, professional highlight editing, and digital broadcasting.

League Operation Model

The model consists of four main phases:

Planning Phase

Meetings, team identification, and approval of competition format and venues.

Preparation Phase

Opening registration, preparing schedules, and coordinating refereeing and media teams.

Execution Phase

Match operations, on-site supervision, and media coverage.

Evaluation & Closing Phase

Documenting results, final reporting, and the closing ceremony.
